*File put up.

With reference to Govt. Note No. G 502, G. M. 260-11-1 dated 25th March 1912, placing me in charge of the duties of the Mugrai Supdt. and ex-Officio Under Secy to Govt, in addition to my own, during the absence of Mr. A. Subramanya Iyer on other duty, I beg to request that the Govt. may be pleased to sanction ~~to grant~~ the grant to me of a charge allowance of 1/10th pay of the Mugrai Supdt, under Art. 97 of the Mysore Service Regulations. Govt. will, I hope, agree that the Charge has entailed substantial increase of responsibility and additional work. I may mention that on the last occasion (April-June 1911) on which I was similarly placed in charge, the Govt. were pleased to sanction such an allowance to me in their Order No. G. 1965-6/G. The file required is this not easily available. When the Govt sanction the allowance under Art. 974 can it not be inferred that the conditions prescribed therein have been fulfilled, and is it necessary that specific declaration referred to by the H Branch should find a place in the Govt. Order?

File now received. This was a matter in which Br II ought to have been consulted and the file shows that this has not been done.

When Mr Ramaswamy was similarly placed in charge of the allowance Branch on a former occasion a specific declaration required under the MSR was made. I was sending for that file repeatedly but I am told it is not readily available. Unless the declaration is made, there will not be an increase in the

Emoluments. Under article 92 M. S. R. an officer so put in charge cannot get more than the salary he would get for officiating in the higher appointment unless the declaration is made. Mr Ramaswamayya is permanent Asst Commr I class. Pay 450 + Subpro tem Senior Asst Commr 600. Where he officiates as Munsif Sup[r] Pay (700) under article 617 S. R. his salary is reckoned on his substantive pay proper and not on his Sub pro tem pay[t]. ~~Thus his salary~~ Subject to the condition that his salary while so off[g] shall not be less than what he was drawing immediately before

Thus his salary for off[g] would be $450 + \frac{1}{5} \times 700 = 590$ but owing to the proviso he will get 600 Rs. ~~Note~~ This is the maximum amount he can get while he is put in charge and other whatever allowance he may have under 91 (4[th] Edn.) unless the maximum limit is exceeded by the declaration, his salary cannot be more than such maximum.

Will the section concerned please state why FI Branch was not consulted?

The result of not consulting was that a declaration necessary under the rules was not made. and Unnecessary correspondence will result to the inconvenience and waste of time of all.

I shall be obliged if the Financial Secy will issue strict orders to all sections regarding the observance of rules about financial consultation & take serious notice of all cases of omission.

that Branch considered a declaration in the Gs necessary under the note to art. 97 M.S.R., ~~necessary~~ on either light, as on the previous occasion in Sept. 1911, when a similar allowance was sanctioned, and called for the previous file refd to. That file, which had been subs to Secty, not being readily available, the H. Branch was told so; and now the H. Secretary says such a declaration as described above was necessary and points out the omission to consult the H Branch before the issue of the order.

To supply the omission a draft Order is now put up in exactly the same words as on the previous occasion, a copy of the L.D. of 26.9.11 being also put up for refce.
